

# *Vision for Wallingford*

**A town rich in heritage,  
looking to the future,  
with a  
strong and active  
community**

**Wallingford**  
Town Council

Wallingford  
Neighbourhood Plan  
Adopted Version

Based on the objectives in the Neighbourhood plan Adopted May 2021

# How can we achieve this as a community?

## Environment & Sustainability

*"To enhance and protect our outdoor spaces through sustainable practices and environment led strategies"*

## Engagement

*"To enable an active and informed community, we will encourage conversation and participation in local issues and decision making"*

## Tourism & Local Economy

*"To ensure the long term vitality and viability of the town, with improved connection between residential, employment areas and visitor attractions"*

## Getting Around

*"To encourage active and more sustainable travel resulting in a safer and more healthy environment in the town"*

## Arts, Culture & Heritage

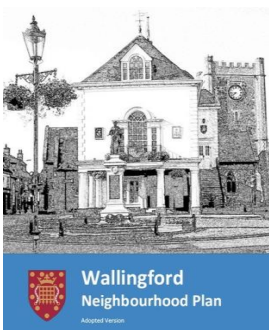

*"To promote Wallingford's unique heritage and vibrant arts scene to be a source of pride for the community and a destination of choice"*

## Facilities

*"To encourage the sustainable use of community infrastructure, supporting growth in line with the towns development"*

## Health, Wellbeing & Community Safety

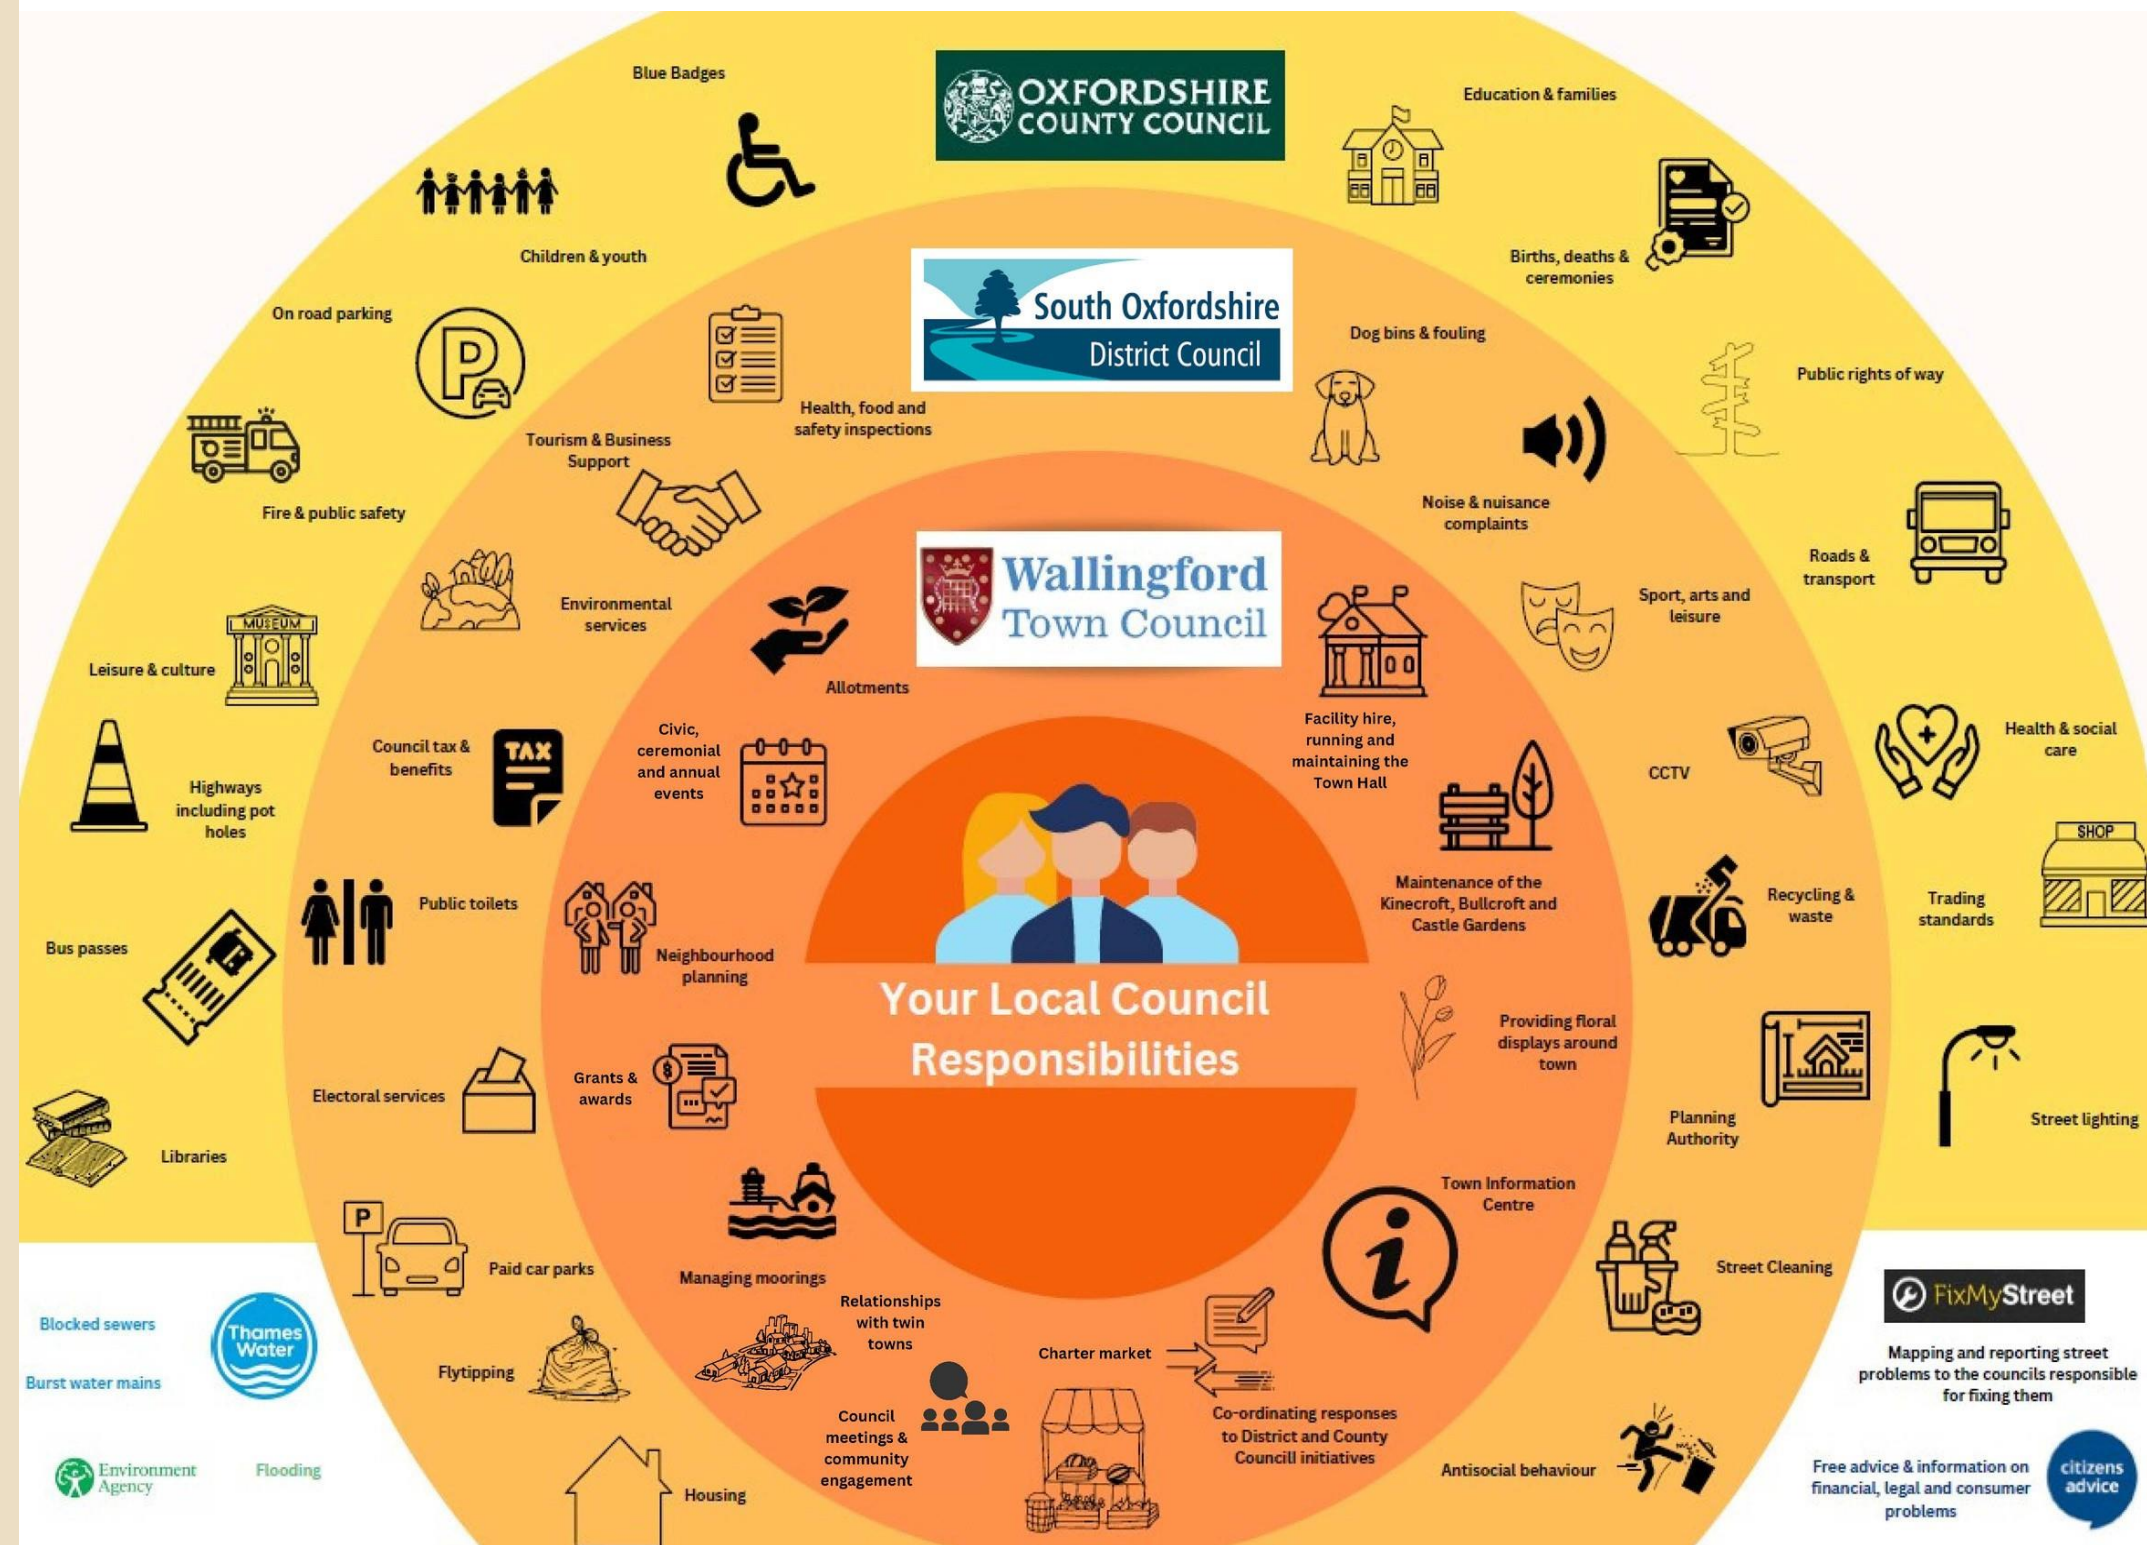

*"To create more supportive and safe places for the community to live, work and play"*

# Let's do this together

Local community groups are inspiring positive change and action in Wallingford.

Building upon this wealth of knowledge and with support from Town, County and District Councils we can achieve our vision.

## Our next step...

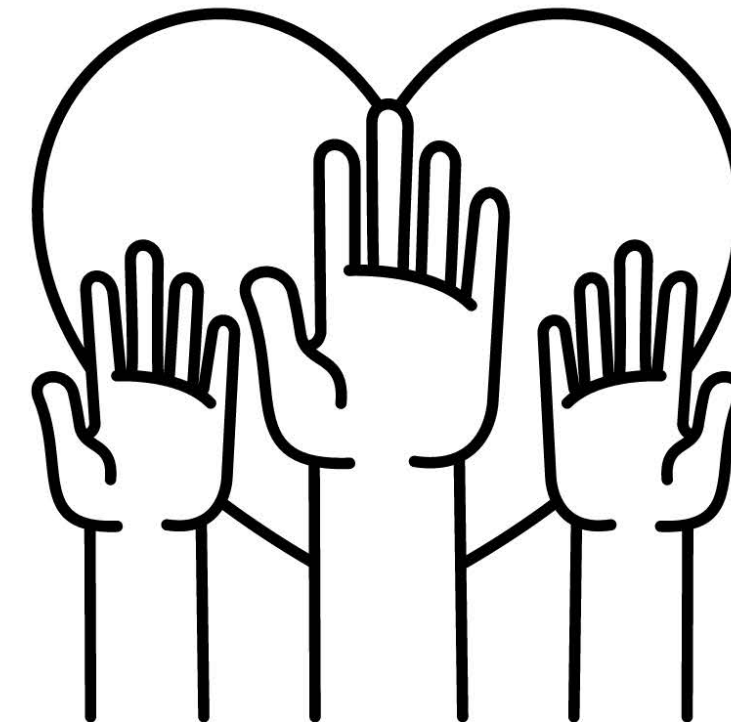

Everyone's invited to celebrate the town's achievements and to join up our collective actions and ideas to create a visual plan for Wallingford.

- Where: Wallingford Town Hall\*
- When: Wednesday 27th September, 6pm

*\*We're exploring alternative accessible event formats for those who can't make the date or location*

## Connecting Wallingford

*We need you!*

# Underpinned by Our Values

A **strong council** is financially secure, makes decisions based on strategic plans and good, impartial officer advice

A **dynamic council** chooses to operate as a catalyst for positive change, working to improve lives & opportunities across the community

An **ambitious council** is innovative, forward- thinking & outward looking

A **caring council** is one in which its culture is supportive & where all contributions are valued

A **diverse & inclusive council** seeks to maximise the opportunities for communities to engage with it, viewing engagement as positive & beneficial
