TOWN CLERK'S REPORT – SEPTEMBER 2024

Wallingford Neighbourhood Plan (WNP)

The WNP Review Steering Group met on Monday 9 September to agree responses to the independent Examiner's Clarification Note. This is part of the normal procedure.

The Examiner, who has already made an unaccompanied visit to Wallingford, will now consider all the responses to public consultations, and the Steering Group's comments on those, before he decides if there should be a) a hearing as part of the examination process and b) a Referendum. He will produce an Examination Report in the next few weeks. The Steering Group requests the Council to note that this is the current situation.

All documents relating to the Examination are displayed on SODC
