Important Sewer Maintenance Notice

We will be conducting critical sewer repair works on High Street OX10, these are essential improvements to help repair a broken asset of ours.

Duration:

We will commence work on **November 21st Thursday – Saturday 23rd November**, working hours will be **20:00 to 05:00**, we are aiming to complete works over two nights.

Impact:

- Your water services will remain unaffected. However, to set up safely we will need to implement a 5-way road closure as displayed on the back of this letter.
- Leave any traffic management we place in position.

Diversion:

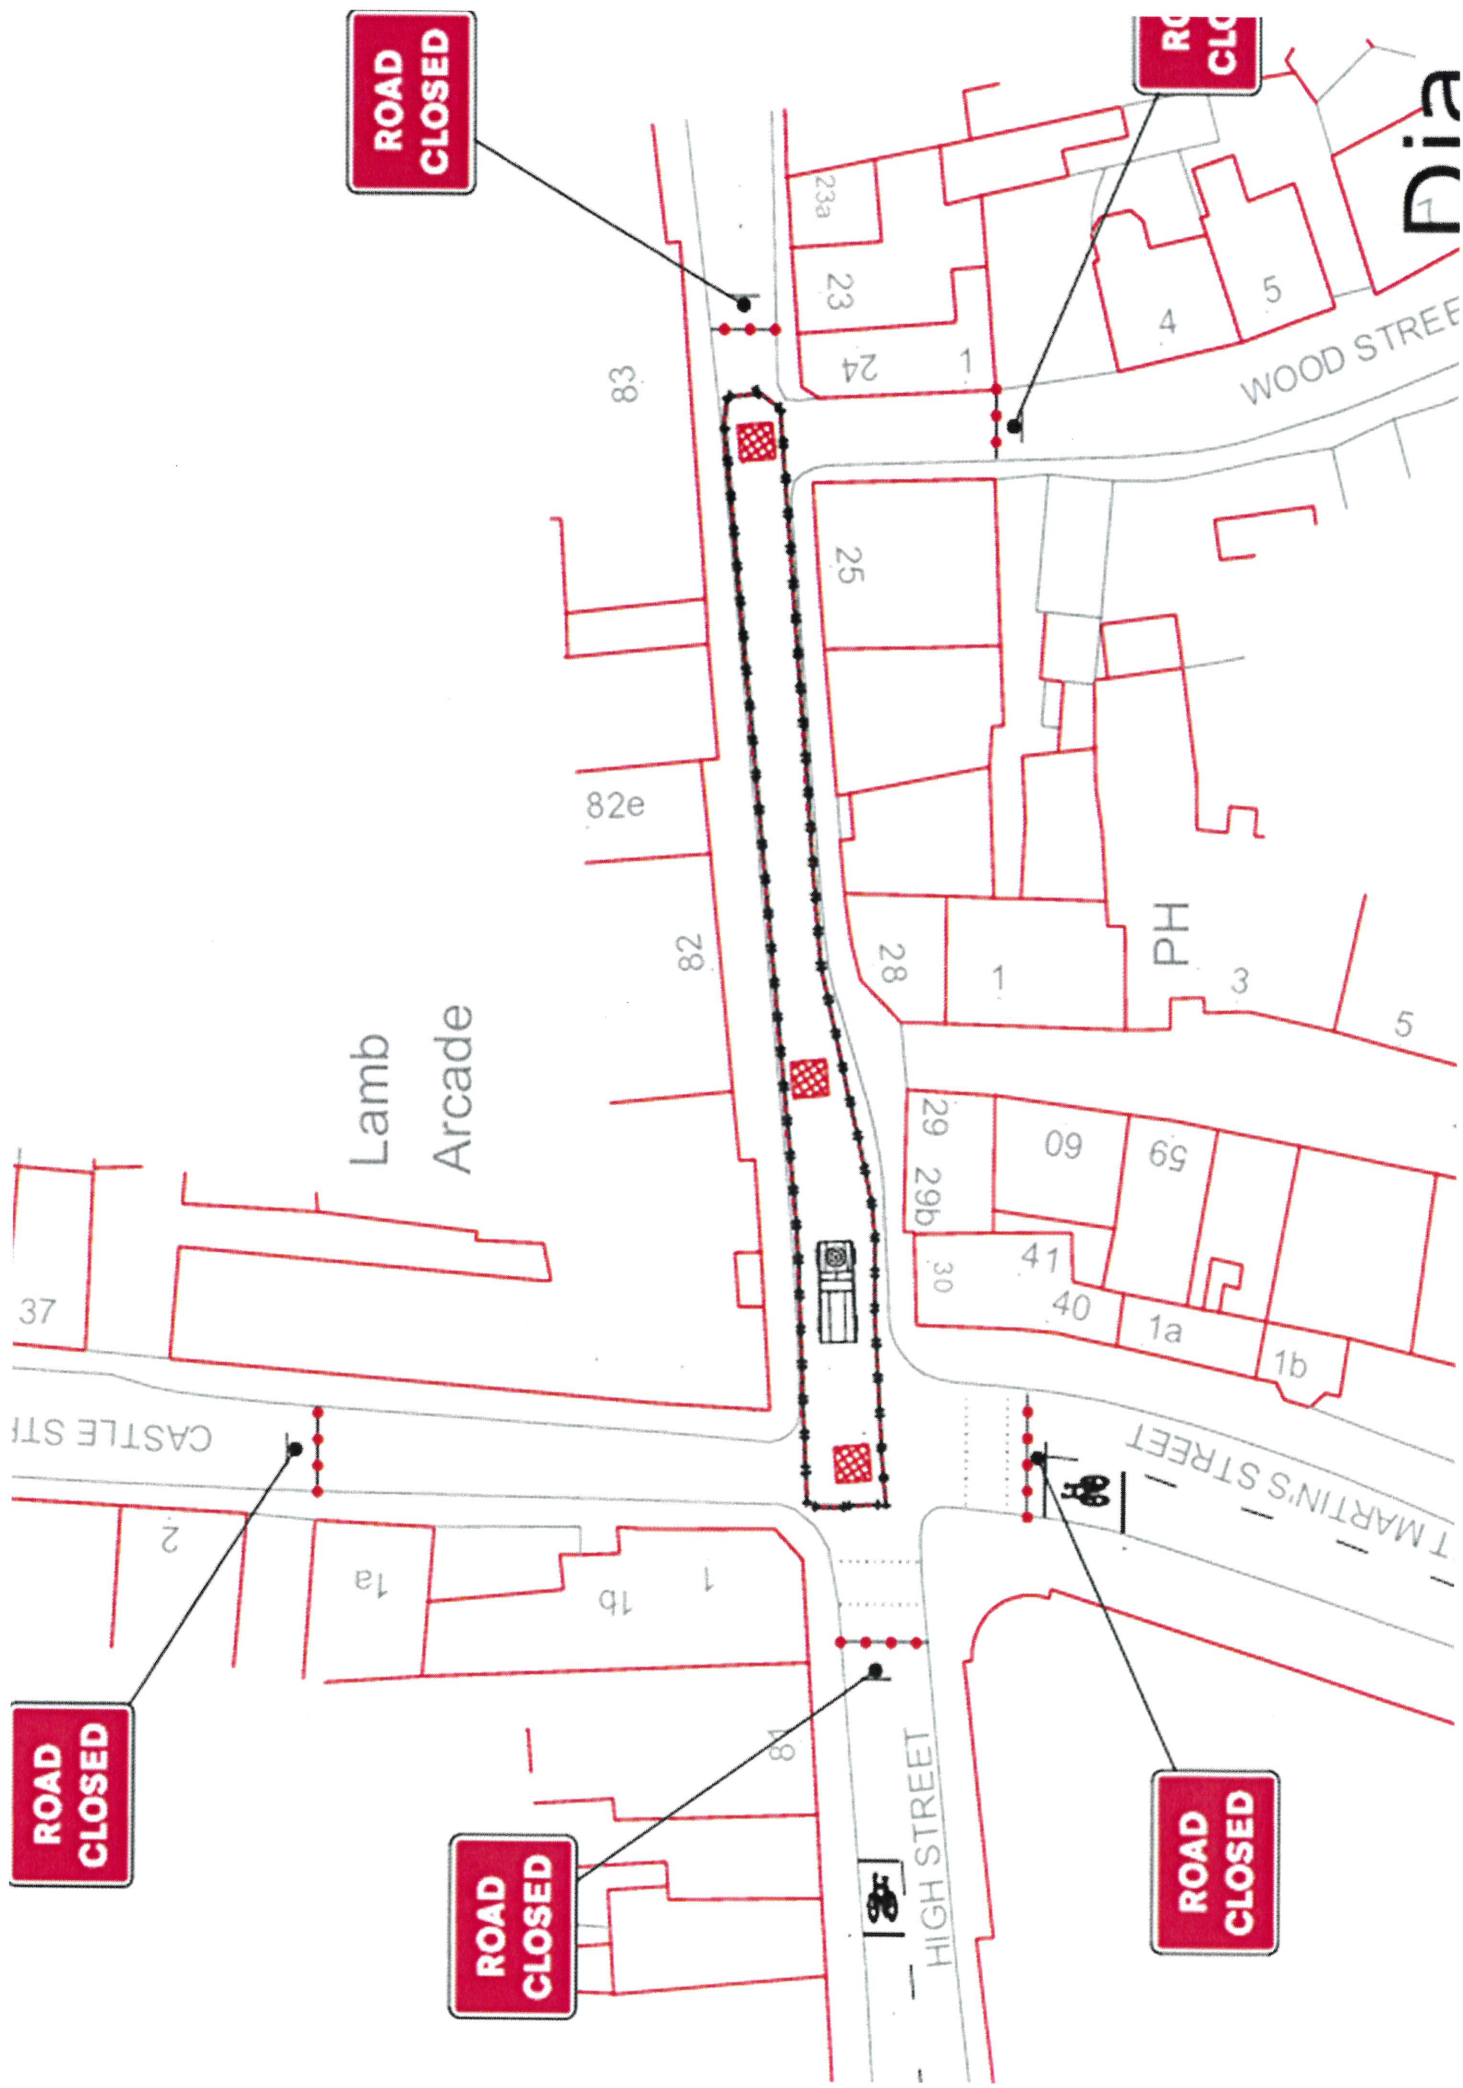

- Croft Road, St Johns Road, Reading Road, Winterbrook, Noworthy Way, Port Way & In Reverse
- A4074, Benson Lane, Henley Road, Wallingford Road, Shillingford Road, Castle Street & ub reverse.

Further Information:

For questions or concerns, contact us at 0800 316 9800 (select option 2) with reference: SA-1440745. We're sorry for any inconvenience caused by these essential works and thank you for your patience.

We apologise for any inconvenience and appreciate your patience.

Best regards,
Customer Service Team
